## Meet the Manufacturer Event Guide Advertising

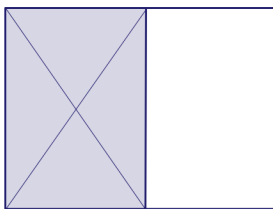

Reach over 5,000 quality visitors who are interested in buying and sourcing British-made goods, including some of the most influential people in the UK fashion and homeware industries.

The MTM 80 page guide is an important industry resource. It contains a directory of all of the manufacturers and brands at the event and is kept and referred to again and again long after the show.

*"The guide we picked up at the show last year is our little black book of UK manufacturers, I don't know where we'd be without it!" MTM Visitor 2016*
